Dear Mr. Antun:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Pursuant to 11 CFR §110.6(c), all earmarked contributions, that have passed through a conduit's account, must be itemized on the receipt (Schedule A) and disbursement (Schedule B) schedules, regardless of the amount. Please identify the recipients of the earmarked contributions disclosed on Schedule A.

-Schedule B supporting Line 23 of your report discloses one or more contributions to a candidate(s) for the 2002 primary election; however, the funds were disbursed after the election date(s) (see attached). Please note that contributions may not be designated for an election which has already occurred unless the funds are to be used to reduce a candidate committee's debts incurred during that election campaign.

If any apparently impermissible contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information.
